Davenport, Iowa – Genesis Systems Group, the largest independent U.S. robotic workcells integrator in North America is proud to share the generosity of our employees and company with the Quad Cities community. On December 18th, Genesis’ generous employees delivered 65 food baskets to seniors in addition to sponsoring 51 Angel Trees to less fortunate children and senior citizens. Along with these employee contributions, Genesis also donated towels, bath soap and lotion to the Clarissa Cook House in Bettendorf, IA. For the past 19 years, Genesis has helped over 900 families in our community with food and clothing.

About Genesis Systems Group

Genesis Systems Group is a recognized leader in robotic systems integration. In business since 1983, Genesis continues to grow, expanding their workforce by over 10% in United States in 2012. Genesis specializes in factory automation with robots for welding, cutting, adhesive application, assembly, machine tending, composite non-destructive inspection and waterjet cutting. Genesis’ solutions focus is backed by expertise in part processing, process development, system and tooling design, motion controls, manufacture, and implementation of industrial automation. With over 4,300 robotic system installations, Genesis has workcells located in over 40 states and 14 different countries.

Today, Genesis Systems Group’s engineered solutions are used in manufacturing a number of different products; automobiles, construction and agricultural equipment, office furniture, trucks and trailers, lawn and garden equipment, recreational vehicles, and aerospace components to name a few.

Genesis Systems Group has offices in Davenport, Iowa, Rochester Hills, Michigan, San Juan Del Rio, Queretaro CP Mexico and Nagoya, Japan. For more information log onto www.genesis-systems.com.
